Head of School Message

This week I presented Heidi and Tegan with their head girl badges. They wore then with pride and are both doing an excellent job in their new roles.

The children showed brilliant team work and co-operation during our recent visit to the Camel Farm where they spotted lots of signs of the changing seasons.

Congratulations to all of the children who took part in our inter-schools DT sports competition. This term we have been working on our football skills. Not only did our team showcase their brilliant dribbling, defending, and attacking skills, they also demonstrated great sportsmanship, an inclusive attitude and determination. Well done to everyone involved.

Have a lovely weekend,

Jane Talbot
